

# Sliding Refrigerator Doors

The VISUALINE aluminium sliding door system offers unparalleled PVC insulation and other exceptional features at a market leading price.

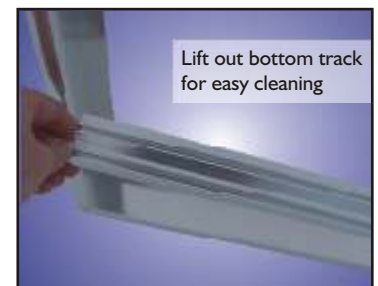

## STANDARD FEATURES

- Smooth profile aluminium VISUALINE door frames in clear anodised finish.
- PVC insulation on all internal faces of the door for market leading condensation protection.
- Double glazed panels.
- Schlagel (synthetic mohair) strips on all door surrounds for airtight closing.
- Quality heavy duty rollers and bearings for easy and smooth opening.
- Lift-out bottom track for easy cleaning.
- Full height rubber door bumper.
- Stoddart parts and labour warranty.

## EXTRA OPTIONS

- Heated perimeter frames for even better moisture resistance.
- Powder coated to colour of your choice.
- Low E and/or toughened glass.

## SIZING

- Made to suit your opening dimensions.
- Provided with the number of doors required.

*Stoddart reserve the right to alter specifications*
